### Greek Ambassador Visits ISC-Amman

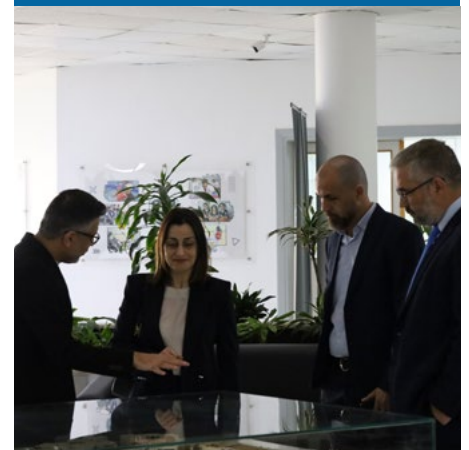

ISC-Amman was honored to welcome Ms. Irene Riga, the Ambassador of Greece, for a memorable visit that showcased the school's innovative approach to education and its vibrant community. During her time on campus, Ambassador Riga had the opportunity to explore the cutting-edge technology and advanced learning systems that ISC-Amman offers its students, including the Integrated Learning System, Shadow Teaching, and the Integrated Testing and Learning Lab. These systems are designed to enhance student engagement, foster personalized learning, and ensure that each student reaches their full potential.

In addition to her tour of the facilities, Ambassador Riga met with the SLO Head Prefects and a group of ISC-Amman alumni. This interaction allowed her to gain insight into the school's commitment to fostering a dynamic and supportive environment where students and alumni continue to thrive, as well as the school's rich history and the lasting impact it has had on its graduates.

The visit was a wonderful opportunity to celebrate ISC-Amman's dedication to excellence in education and the strong connections it maintains within its global community.

*ISC-Amman was honored to welcome Ms. Irene Riga, the Ambassador of Greece, for a memorable visit.*

## ISC-Amman Annual Alumni Dinner: A Night of Memories and Reconnections

The ISC-Amman Annual Alumni Dinner was an unforgettable evening that brought together graduates from various years to share laughter, memories, and meaningful reconnections. The event offered a wonderful opportunity for alumni to reconnect with old friends, teachers, and mentors, all while celebrating the lasting bonds formed during their time at ISC-Amman.

From heartfelt conversations to reliving cherished moments, the evening was filled with warmth and camaraderie. The sense of community was palpable as alumni shared stories of their journeys since graduation, while reminiscing about the experiences that shaped their time at school.

It was a beautiful celebration of the school's legacy, its commitment to fostering lifelong relationships, and the remarkable achievements of its alumni. The evening left everyone feeling proud of their shared history and excited for what the future holds.

## Honoring Over 25 Years of ISC-Amman in Jordan: A Visit to Jordan Post

A delegation from the school, including SLO Prefects, our School Director, and staff members, had the privilege of touring the Jordan Post headquarters and learning about the vital role that Jordan Post plays in connecting communities across the country.

During the tour, our team was given a unique opportunity to engage with the history and operations of Jordan Post, gaining a deeper understanding of its services and impact on national communication. As part of the celebration, the Director of Jordan Post presented a special collection of stamps issued in 1997, the year ISC-Amman was founded.

In return, our School Director shared a meaningful token of appreciation, commemorating this milestone and expressing our gratitude for the ongoing partnership. The visit was a beautiful reflection of ISC-Amman's commitment to fostering strong connections within the community and honoring the milestones that have shaped our school's legacy.

## EVENTS

### ISC-MUN JR.: Shaping Future Diplomats

The ISC-MUN JR. conference at ISC-Amman was a remarkable experience for our Middle School students, introducing them to the world of diplomacy, debate, and global problem-solving. As young delegates, students stepped into the roles of world leaders, discussing pressing international issues and developing their public speaking and negotiation skills.

The event provided a platform for students to engage in thoughtful discussions, present well-researched arguments, and collaborate to find solutions to complex global challenges. Guided by their mentors, the delegates embraced the MUN format with enthusiasm, demonstrating confidence and critical thinking throughout the sessions.

Beyond the debates, ISC-MUN JR. fostered teamwork, leadership, and a deeper understanding of world affairs. It was inspiring to see students take on their roles with such dedication, proving that the next generation of changemakers is already on the rise. With this successful conference, ISC-Amman continues to nurture young minds, preparing them for leadership in an ever-changing world.

## The Little Mermaid Musical Production: A Captivating Performance

The stage at ISC-Amman came to life with an enchanting performance of The Little Mermaid, showcasing the incredible talents of our students. From the moment the curtain opened, the audience was transported under the sea, immersed in a world of music, color, and theatrical magic.

Students took on their roles with passion, delivering stunning performances filled with expressive acting, lively choreography, and powerful vocals. The production featured breathtaking costumes and beautifully designed sets that brought the beloved story to life. Every scene, from Ariel's longing for the human world to Ursula's dramatic presence, captivated the audience and highlighted the hard work and dedication behind the show.

Months of rehearsals and teamwork paid off as students demonstrated their commitment to excellence in the performing arts. Their ability to bring emotion and energy to the stage was truly inspiring, leaving the audience in awe. The production was a celebration of creativity, collaboration, and the joy of storytelling—one that will be remembered long after the final bow.

## KG Arabic Language Day: A Celebration of Culture and Expression

To celebrate Arabic Language Day, our KG students took the stage with confidence and joy, showcasing their love for the Arabic language through beautiful performances. From heartwarming songs to expressive recitations, the young learners captivated the audience with their enthusiasm and pride in their linguistic heritage.

The event highlighted the importance of the Arabic language, fostering a deep connection to culture and tradition from an early age. Students showcased their growing language skills, demonstrating their ability to communicate and express themselves in creative ways. Teachers and parents watched with pride as the children embraced the beauty of Arabic, making the celebration a truly memorable experience.

This special day not only reinforced language learning but also instilled a sense of pride and appreciation for Arabic. Through fun and interactive performances, our KG students took an important step in their educational journey, celebrating the richness of the language in a way that was both joyful and meaningful.

## Anything But a Backpack Day: Creativity at Its Best!

ISC-Amman students took school spirit to a whole new level on “Anything But a Backpack Day”, arriving on campus with the most imaginative and unexpected alternatives to their usual school bags! From laundry baskets and suitcases to toy cars and picnic baskets, creativity was on full display as students embraced the challenge with enthusiasm and humor.

The hallways were filled with laughter and excitement as students showcased their unique carrying methods, turning an ordinary school day into a fun experience.

Seeing the inventive ways students transported their books and supplies was a reminder that learning is not just about academics—it’s also about having fun, thinking outside the box, and making lasting memories. Anything But a Backpack Day was a huge success, and we can’t wait to see what students come up with next year!

## Lower School Celebrates 100<sup>th</sup> Day of School: A Day of Fun and Reflection

The Lower School at ISC-Amman marked a special milestone by celebrating the 100<sup>th</sup> Day of School in the most creative way possible—by dressing up as wise and wonderful “old people”! Students embraced the theme with enthusiasm, donning gray hair, glasses, walking canes, and other fun accessories that made them look decades older than they really are.

The imaginative costumes served as a reminder of how much the students have learned and grown over the past 100 days. From counting to 100 in unique ways to reflecting on their achievements, the celebration allowed students to look back on their progress and recognize how far they’ve come in their learning journey.

## KG Reading Campaign: Nurturing a Love for Books

The KG Reading Campaign at ISC-Amman was a heartwarming success, as our youngest learners took part in an exciting journey to explore the world of books. Throughout the campaign, students were encouraged to develop a love for reading through fun and interactive activities designed to ignite their imaginations and enhance their language skills.

From storytime sessions to reading challenges, the campaign brought books to life in engaging ways. Students enthusiastically participated in reading circles, shared their favorite stories, and discovered new adventures through the pages of books. Teachers created a supportive and inspiring environment, fostering a sense of excitement and curiosity about the wonderful world of literature.

The campaign was a beautiful reminder of the importance of reading in early childhood development. By nurturing a love for books, our KG students are building the foundation for a lifelong passion for learning. The success of the campaign is a testament to the creativity and dedication of our students and teachers, and we look forward to seeing how their love of reading continues to grow!

## Little Senses Play Day: A Day of Exploration and Fun

The Little Senses Play Day at ISC-Amman was a magical experience for our youngest learners, filled with hands-on activities that engaged their senses and sparked their curiosity. Designed to encourage exploration and learning through play, the day offered a variety of interactive stations that focused on stimulating the children's sense of sight, sound, touch, and smell.

From sensory bins filled with textured objects to vibrant colors and soothing music, the children immersed themselves in a world of discovery, enjoying the opportunity to engage with new materials and experiences. Teachers guided them through each activity, fostering an environment where creativity and curiosity could flourish.

The Little Senses Play Day was an enriching educational experience that helped our students develop important cognitive and motor skills while also promoting social interaction and teamwork.

## Healthy Food Awareness Week: Promoting Healthy Habits with Fun and Learning

As part of Healthy Food Awareness Week, our KG to Grade 3 students enjoyed a thrilling Games and Facts Day filled with exciting challenges and interactive activities! The event was designed to engage young learners in understanding the importance of healthy eating and regular exercise in a fun, memorable way.

Throughout the week, students participated in games that highlighted the benefits of healthy foods and physical activity, while also learning important facts about nutrition and well-being. From presentations to team challenges, the activities were not only fun but also educational, encouraging students to make healthier choices in their daily lives. This engaging week was a wonderful opportunity for students to develop healthy habits that will stay with them as they grow.

## Career Week for KG and Lower School: Exploring the World of Work

ISC-Amman's Career Week for KG and Lower School students was a fantastic opportunity to introduce our young learners to the wide range of careers that exist in the world around them. Parents and professionals from various fields visited the school to share their career journeys, offering insights into their jobs and the skills required to succeed in their respective fields.

From doctors and engineers to pilots and entrepreneurs, students were inspired by the diverse roles and passionate individuals who came to speak. The interactive presentations allowed the children to ask questions, engage in hands-on activities, and imagine themselves in different careers. It was a fun and enlightening way for them to start thinking about the possibilities for their own futures.

## STUDENT ACHIEVEMENTS

### High Achievers Awards: Honoring Excellence in International Exams

ISC-Amman proudly celebrated the outstanding accomplishments of its students at the High Achievers Awards ceremony, recognizing those who excelled in international exams such as IGCSE, A-Levels, and AP®. The evening was a testament to the dedication, perseverance, and academic excellence of our students, whose achievements reflect their hard work and the unwavering support of their teachers and families.

A special highlight of the event was the recognition of students who earned Top in Jordan awards, showcasing their exceptional performance. These students have set a remarkable standard of excellence, proving that commitment and determination lead to extraordinary success.

The ceremony was filled with pride and celebration as students received their awards, applauded by their peers, teachers, and parents. Beyond the recognition, the event served as an inspiration to all students, reinforcing the value of academic dedication and the limitless opportunities that come with it. ISC-Amman continues to foster a culture of excellence, ensuring that every student is equipped with the knowledge, skills, and confidence to achieve greatness.

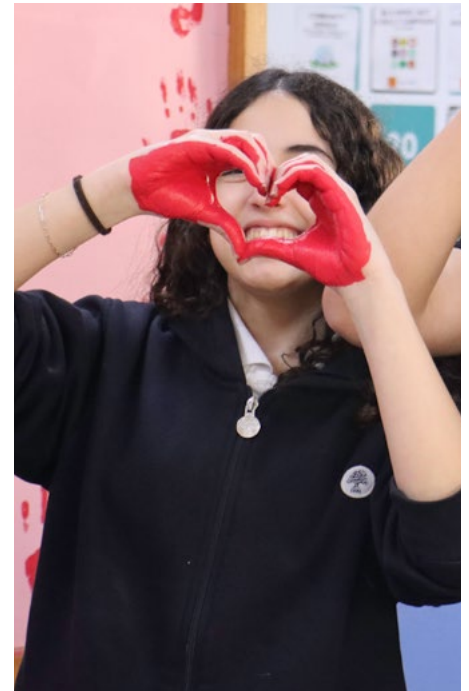

## SLO STORIES

### SLO Outreach Prefects Lead a Day of Appreciation and Gratitude

The SLO Outreach Prefects at ISC-Amman organized a heartwarming Day of Appreciation and Gratitude, encouraging students to take a moment to reflect on the things they cherish most in their lives. Throughout the day, students gathered to share their thoughts and feelings on interactive boards, filling them with messages of love and appreciation for their family, friends, and special moments. The walls were soon adorned with heartfelt notes, creating a vibrant tapestry of gratitude.

In addition to celebrating the things that matter most, the prefects took time to deliver "Thank You" notes to teachers, acknowledging their unwavering dedication and the positive impact they have on students' lives. This simple yet powerful gesture served as a reminder of the importance of showing gratitude and the deep value of the relationships within our school community.

*Throughout the day, students gathered to share their thoughts and feelings on interactive boards.*

## SLO Bake Sale: A Sweet Success for a Good Cause

The SLO Bake Sale at ISC-Amman was a delightful and successful event, as students came together to raise funds for a meaningful cause—Ramadan Food Parcels and Orphans’ Fun Day. The Bake Sale featured an array of delicious homemade treats, from cookies and cakes to savory pastries, all generously donated by students, teachers, and parents.

With each bite, participants contributed to the greater goal of supporting those in need. The funds raised will go towards providing food parcels to families in need and sponsoring iftar meals for orphaned children.

The event was a heartwarming reminder of the power of community and the impact of small acts of kindness. Thanks to the generosity of everyone involved, the SLO Bake Sale was not only a sweet success but also a meaningful way to give back and make a positive difference in the lives of others.

## SLO Social Responsibility: Painting a Public School in Amman

As part of its ongoing commitment to social responsibility, the SLO at ISC-Amman organized an initiative to paint a public school in Amman, bringing color, vibrancy, and joy to the local community. Volunteering SLO Prefects worked together to transform the school’s walls, creating a more welcoming and inspiring environment for the students who attend there.

This initiative was a beautiful reminder of the importance of giving back and making a difference in the lives of others. By investing their time and energy into this project, our students demonstrated the true power of social responsibility and the difference one group of people can make.

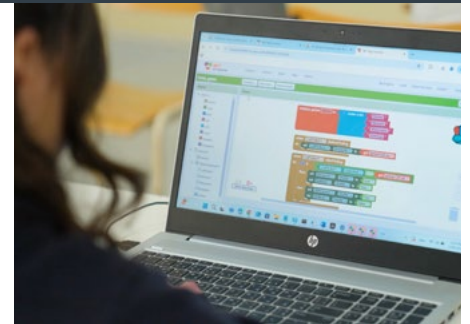

# STEAM

## ISC-Amman STEAM Courses: Innovating the Future

ISC-Amman is proud to offer a dynamic range of STEAM courses that empower students to explore cutting-edge fields and develop valuable skills for the future. Among the exciting courses offered are Robotics, 3D Printing, and App Development, each designed to inspire creativity, problem-solving, and innovation.

In the Robotics course, students learn the fundamentals of building and programming robots, gaining hands-on experience that enhances their understanding of engineering and technology. The 3D Printing course introduces students to the world of design and manufacturing, allowing them to create and bring their ideas to life in a tangible way. Meanwhile, the App Development course teaches students how to design, develop, and launch their own mobile applications, preparing them for the ever-growing tech industry.

These courses are more than just lessons in technology—they are opportunities for students to think critically, collaborate, and harness their creativity to solve real-world problems. By offering these innovative STEAM courses, ISC-Amman continues to provide students with the tools and knowledge they need to succeed in a rapidly changing world.

## EXTRACURRICULAR ACTIVITIES

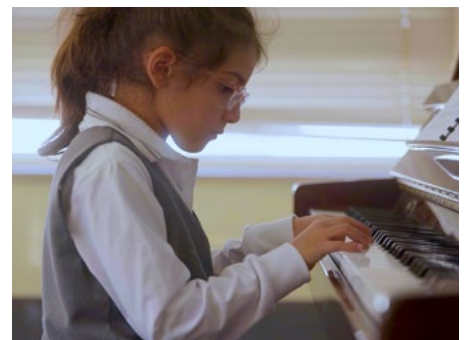

### Sports and Arts Academy: A Season of Growth and Achievement

The Sports and Arts Academy at ISC-Amman continued to offer ISC-Amman's students an exciting array of activities, with the opportunity to develop new skills, challenge themselves, and engage in both athletic and creative pursuits.

In Sports, students are honing their skills in basketball, football, MMA, and swimming, participating in team challenges, friendly competitions, and individual practice sessions. Whether it's perfecting their jump shot on the court, improving their footwork on the field, learning martial arts discipline and technique, or mastering strokes in the pool, our students are committed to pushing their limits and having fun along the way.

The Arts Academy also offers exciting options, including gymnastics, and chess. Gymnastics students are working on flexibility, balance, and strength. Meanwhile, chess enthusiasts are sharpening their strategic thinking, making each move count on the chessboard.

The Sports and Arts Academy during Term 2 is not just about improving physical and artistic skills; it's about building teamwork, discipline, and confidence. It's been a season filled with growth, achievement, and plenty of fun, as our students explore new interests and continue to pursue their passions.

*The Academy is not just about improving physical and artistic skills; it's about building teamwork, discipline, and confidence.*
