SCHOOL PROFILE 2026-2027

ABOUT OUR SCHOOL

The International School of Choueifat – Amman (ISC-Amman) **is a non-selective, co-educational, English-medium, college-preparatory school** that welcomes students aged 3+ to 18+ from Kindergarten to Grade 12. Our school offers the world-class SABIS® education to its current 1,000 students representing 25 nationalities.

ISC-Amman opened its doors in September 1997. Our school is a **member of the global SABIS® Network,** an international network of schools that has an active presence in 21 countries on 5 continents. With a history dating back to 1886, SABIS® has been providing students with a solid foundation of knowledge, real-life skills, and love of learning, preparing them for success in college and beyond.

MISSION STATEMENT

ISC-Amman is recognized as a provider of top-quality education to a highly diverse student body. ISC-Amman will strive to help all students achieve their full potential, prepare all students for success in college, equip them with the ability and desire for lifelong learning, and strengthen their civic, ethical, and moral values. ISC-Amman will maintain high standards of efficiency and accountability throughout its operation.

THE SABIS® EDUCATIONAL SYSTEM

The SABIS® Educational System is a comprehensive academic program that has been developed and **refined for 140 years,** and continues to adapt as new technologies evolve. With a balance of academics, self-development, and life preparation, it prepares students for success in college, fosters a **lifelong interest in learning,** and develops **responsible world-class citizens.**

THE SABIS® STUDENT LIFE ORGANIZATION

The SABIS® Student Life Organization (SLO) is the heart of the school and a pillar of the SABIS® Educational System. It is a student-led mini-society that **empowers students to get involved** in the day-to-day experience at their school and **offers countless academic, social, and emotional benefits** for everyone involved. Through the organization's nine departments, students have the power to **make a real difference in their school and community.** SLO prefects have the ability to organize academic and social events, host games and challenges, plan athletic activities, explore new skills, start clubs, raise awareness on and stand up for important causes, and much more.

ATHLETICS

ISC-Amman athletics allow students of all ages to remain physically active while harvesting skills such as team building, perseverance, dedication, and consistency. ISC-Amman Varsity Teams include girls' and boys' swimming, girls' and boys' football, girls' and boys' basketball, and girls' and boys' track & field. Also, some of our students are part of Jordan's national teams, representing the country and competing internationally.

SCHOOL UNIVERSITY COUNSELING

University counseling starts as early as Grade 9, where students are advised on how to create a superior high school résumé featuring academic achievement, extracurricular activities, summer programs, internships, professional courses, etc. The main focus of university counseling is to ensure that students select the most suited university and receive the necessary expertise in navigating the college application process, writing essays, and submitting any supplementary information.

ALUMNI

ISC-Amman has a strong alumni network consisting of 860 alumni to date. Remaining connected is a mission that starts in school through creating families where our junior and senior students are linked with respective alumni. As a result, various social events are organized throughout the year such as gala dinners and in-school activities, one of which is hosting alumni to share their experiences with the students.

GRADUATION REQUIREMENTS

In order to successfully complete Secondary School requirements and obtain a SABIS® High School Diploma, students must successfully complete 5 of the compulsory subjects, which include:

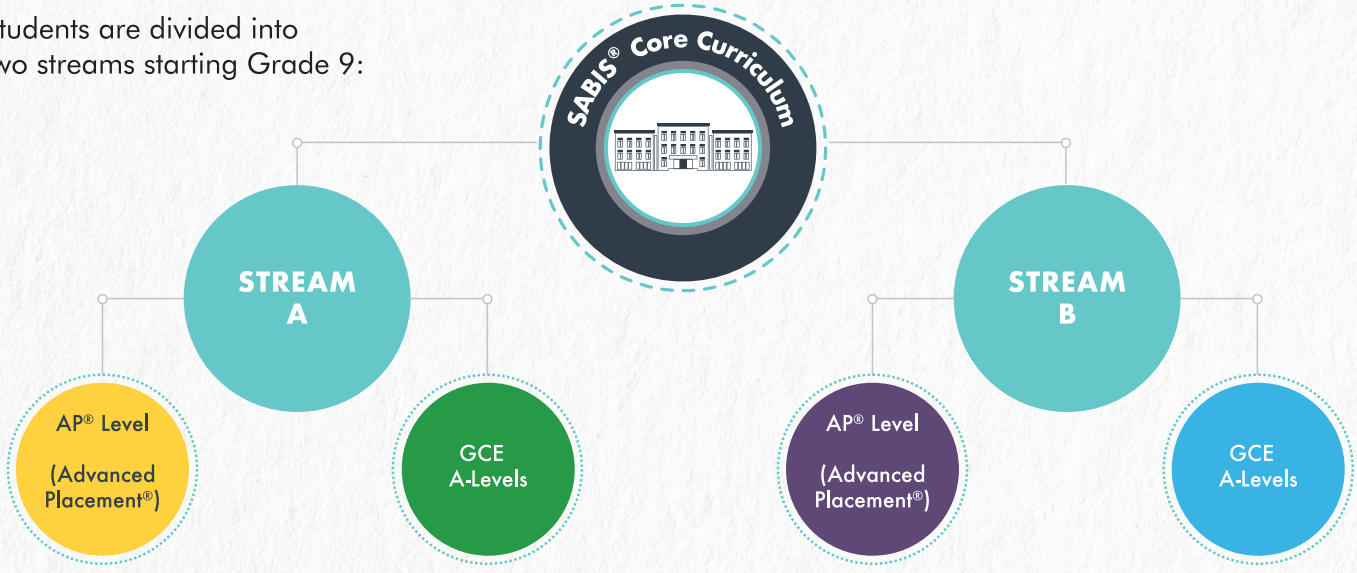

Mathematics, English, Arabic, Religion, and Jordan History, along with two subjects from the following optional courses: Physics, Chemistry, Biology, Economics, Business Studies, Psychology, Human Geography, Statistics. All students graduate with a globally recognized high school diploma.

SCHOOL CURRICULUM

The curriculum is derived from the SABIS® Educational System, which is a rigorous academic program with advanced-level courses that caters to both the American (AP®) and the British standardized examinations (GCE A-Levels & IGCSE), while preparing our students for the most prestigious universities in the world. However, due to the regulations of the Ministry of Education in Jordan, students can opt to sit for one kind of standardized exam.
